

Adam N. Glynn

Emory University, Department of Political Science
327 Tarbutton Hall, 1555 Dickey Drive, Atlanta, GA 30322
Email: aglynn@emory.edu
Website: <http://scholar.harvard.edu/aglynn>

Academic Appointments

Associate Professor, Department of Political Science, Emory University, (2014 - present).

Associate Director, Institute for Quantitative Theory and Methods (2015-present).

Secondary Appointment, Department of Biostatistics and Bioinformatics (2014-present).

Associate Professor (untenured), Department of Government, Harvard University, (2010 - 2014).

Associate, Institute for Quantitative Social Science, Harvard University, (2006 - 2014).

Associate, Weatherhead Center for International Affairs, Harvard University, (2010 - 2014).

Assistant Professor, Department of Government, Harvard University, (2006 - 2010).

Education

Ph.D., University of Washington, 2006, Statistics.

B.A., The Johns Hopkins University, 1997, Economics.

Peer-Reviewed Articles

Glynn, A.N. and Kashin, K. "Front-door Difference-in-Differences Estimators." *Conditional Acceptance at the American Journal of Political Science*.

Glynn, A.N. and Ichino, N. "Increasing Inferential Leverage in the Comparative Method: Placebo Tests in Small-n Research." *Sociological Methods & Research*. doi: 10.1177/0049124114528879

Glynn, A.N. and Ichino, N. (2015) "Using Qualitative Information to Improve Causal Inference." *American Journal of Political Science*. 59: 1055-1071.

Glynn, A.N. and Sen, M. (2014) "Identifying Judicial Empathy: Does Having Daughters Cause Judges to Rule for Womens Issues?" *American Journal of Political Science*. 59: 37-54.

Glynn, A.N., Wakefield, J. (2014) "Alleviating Ecological Bias in Poisson Models using Optimal Subsampling: The Effects of Jim Crow on Black Illiteracy in the Robinson Data." *Sociological Methodology* 44: 159-184.

Glynn, A.N. (2013) "What Can We Learn with Statistical Truth Serum? Design and Analysis of the List Experiment" *Public Opinion Quarterly*. 77: 159-172.

Glynn, A.N. (2012) "The Product and Difference Fallacies for Indirect Effects." *American Journal of Political Science*. 56: 257-269.

Miscellaneous

Glynn, A.N. (2013) “Comment on ‘Experimental Designs for Identifying Causal Mechanisms’ ” *Journal of the Royal Statistical Society: Series A*. 176: 40.

Glynn, A.N. (2011) “Messy Data, Messy Conclusions: A Response to Gerring” *Qualitative & Multi-Method Research*. Spring 2011, Vol. 9, No. 1.

Working Papers

Submitted/Revise and Re-submit

Glynn, A.N. and Kashin, K. “Front-door Versus Back-door Adjustment with Unmeasured Confounding: Bias Formulas for Front-door and Hybrid Adjustments with Application to a Job Training Program,” **Gosnell Prize Winner**, *Revise and Re-submit at the Journal of the American Statistical Association*.

Gerring, J. and Glynn, A.N. “Strategies of Research Design with Confounding: A Graphical Description.” *Revise and Re-submit at Sociological Methods & Research*.

Glynn, A.N. and Quinn, K.M. “Structural Causal Models and the Specification of Time-Series Cross-Section Models.” *Revise and Re-submit at Sociological Methods & Research*.

Working Papers

Glynn, A.N. and Kashin, K. “Causal Inference without Control Units.”

Blackwell, M. and Glynn, A.N. “Causal Inference and Treatment Histories in Time-Series Cross-Sectional Data, An Introduction.”

Glynn, A.N. “Does Oil Cause Civil War Because It Causes State Weakness?”

Honors and Awards

Lijphart/Przeworski/Verba Dataset Award (2016): Awarded by the Comparative Politics section of the American Political Science Association to the “Varieties of Democracy Dataset” for best data set in comparative politics (co-awarded to the V-Dem PIs and Project Managers)

Gosnell Prize for Excellence in Political Methodology (2013): Awarded by the Political Methodology Section of the American Political Science Association for “Front-door Versus Back-door Adjustment with Unmeasured Confounding: Bias Formulas for Front-door and Hybrid Adjustments,” awarded for the best work in political methodology presented at any political science conference during the preceding year (co-authored with Konstantin Kashin).

National Science Foundation: Time-Sharing Experiments for the Social Sciences (2009): “Assessing the Prevalence of Socially Undesirable Opinions: The Use of the Double List Experiment for Variance Reduction and Diagnostics.” (co-PI with Adam Berinsky).

Harvard Academy, Junior Faculty Development Grant (2009).

Joint Statistical Meetings Travel Award (2007).

National Science Foundation - VIGRE Graduate Studies Fellowship (2005-2006).

Data Sets

Coppedge, Michael, John Gerring, Staffan I. Lindberg, Svend-Erik Skating, Jan Teorell, David Altman, Michael, Bernhard, M. Steven Fish, Adam N. Glynn, Allen Hicken, Carl Henrik Knutsen, Kyle L. Marquardt, Kelly McMann, Farhad Miri, Pamela Dixon, Daniel Pemstein, Jeffrey Staton, Eitan Tzelgov, Yi-ting Wang, and Brigitte Zimmerman. 2016. “V-Dem Dataset v5.” Varieties of Democracy (V-Dem) Project. <http://v-dem.net>

Software

Kashin, Konstantin, Adam N. Glynn, and Nahomi Ichino. qualCI, version 0.1 (an R package companion for “Using Qualitative Information to Improve Causal Inference”).

URL: <http://cran.r-project.org/web/packages/qualCI/index.html>.

Glynn, Adam N. and Kevin M. Quinn. CausalGAM, version 0.1-1 (an R package for the estimation of causal effects with generalized additive models).

URL: <http://cran.r-project.org/web/packages/CausalGAM/index.html>.

Teaching Experience

Emory University

POLS 570 (fall 2016, graduate) QTM 220 Regression Analysis (fall 2015, fall 2016, undergraduate)

QTM 491 Experimental Design and Analysis (spring 2016, undergraduate)

POLS 585 Experimental Design and Analysis (spring 2016, graduate)

POLS 585 Causal Inference (fall 2014, graduate)

Harvard University

GOV 50 Introduction to Political Methodology (spring 2008, 2011, undergraduate)

GOV 1000/2000 Quantitative Methods for Political Science I (fall 2006 - 2013, undergraduate/graduate)

GOV 2002 Topics in Quantitative Methods (fall 2007,2011-2013, spring 2011)

GOV 2010 Design for Political Inquiry (spring 2010)

GOV 3009 Research Workshop in Applied Statistics (fall/spring 2006-2012, graduate)

Short Courses

IQMR, Strategies for Causal Inference (2012, 2013)

APSA Annual Meeting, Using Qualitative Information to Improve Causal Inference (2013)

Dissertation and Thesis Advising

Member, Ph.D. Dissertation Committee:

Emory University

Caitlin Ainsley (Political Science, Emory University, 2016, placed as Assistant Professor of Political Science at the University of Washington)

Rick Morgan (Political Science, Emory University, in progress)

Steven Webster (Political Science, Emory University, in progress)

Nancy Bays Arrington (Political Science, Emory University, in progress)

Grace Park (Political Science, Emory University, in progress)

Josh Fjelstul (Political Science, Emory University, in progress)

Elvin Ong (Political Science, Emory University, in progress)

Harvard University

Jens Hainmueller (Government, Harvard University, 2009), placed as Assistant Professor of Political Science at MIT.

Elina Treyger (Government, Harvard University, 2012), placed as Assistant Professor of Law at George Mason University.

Maya Sen (Government, Harvard University, 2012), placed as Assistant Professor of Political Science at University of Rochester.

Matt Blackwell (Government, Harvard University, 2012), placed as Assistant Professor of Political Science at University of Rochester.

Mircea Popa (Government, Harvard University, 2012), placed a Post-Doc at Yale University.

Richard Nielsen (Government, Harvard University, 2013), placed as Assistant Professor of Political Science at MIT.

Patrick Lam (Government, 2015 Harvard University)

Daniel Koss (Government, Harvard University, 2015), placed as a junior fellow at the Society of Fellows, Harvard University

Julie Faller (Government, Harvard University, 2015), placed as Senior Associate with Wellspring Consulting

Konstantin Kashin (Government, Harvard University, 2015), placed as Data Scientist at Facebook

Chair, Undergraduate Honors Thesis:

Raul Campillo (Government, Harvard University, 2009)

Jitka Tomas (Government, Harvard University, 2008)

Conference Participation and Invited Talks

Invited Talks:

Center for Statistics and the Social Sciences, University of Washington, 2016

AAAI Spring Symposium on Observational Studies through Social Media and Other Human-Generated Content at Stanford University, 2016

Department of Political Science, University of Gothenburg, 2014

Department of Political Science Methodology Series jointly with the Department of Statistics, UCLA, 2014

Department of Political Science, Emory University, 2013

Department of Political Science, Ohio State University, 2013

Department of Political Science, UC Davis, 2013

Department of Political Science, University of Notre Dame, 2013

ISPS Workshop on Quantitative Methods, Yale University, 2013

Department of Politics Methodology Seminar Series, Princeton University, 2010

Department of Government Methodology Seminar Series, University of Texas, 2010

Political Instability Task Force, 2009

BIRS workshop on Causal Inference in the Quantitative Sciences, 2009

Department of Statistics Colloquia, Harvard 2009

Department of Psychology Seminar Series, University of New Mexico, 2009

Department of Political Science Cutler/Political Methodology Seminar Series, University of Rochester, 2008

DIMACS Workshop on Ecological Inference, Rutgers University, 2007

Conference Participation:

Annual Meeting of the American Political Science Association

Paper Presented: 2009, 2010, 2011, 2013, 2014, 2015

Annual Meeting of the Society for Political Methodology

Paper Presented: 2007, 2008, 2009, 2010, 2012, 2013

Poster Presented: 2013

Discussant: 2013

Annual Meeting of the Midwest Political Science Association

Section Head, Methodology Poster Session: 2015

Paper Presented: 2007, 2008, 2009, 2010, 2013, 2015

Discussant: 2008, 2009, 2010, 2013

Joint Statistical Meetings

Paper Presented: 2007, 2013, 2015

Conference on Empirical Legal Studies

Discussant: 2009

Annual Meeting of the European Political Science Association

Paper Presented: 2013

Service

Professional

Manuscript Referee: *American Political Science Review*, *American Journal of Political Science*, *Journal of Politics*, *Political Analysis*, *Review of Economics and Statistics*, *Political Research Quarterly*, *Statistics in Medicine*, *Public Opinion Quarterly*, *American Sociological Review*, *Behavioral Research Methods*, *Annals of Applied Statistics*, *Journal of Causal Inference*, *Sociological Methodology*, *Sociological Methods & Research*, *Journal of the American Statistical Association*, , *British Journal of Political Science*

Professional Memberships: American Political Science Association, Midwest Political Science Association, Political Methodology Subsection of the American Political Science Association, American Statistical Association, Society for Empirical Legal Studies, European Political Science Association

Departmental

Emory

Member of the American Politics Search Committee (2015)

Member of the Graduate Studies Committee (2014-2016)

Member of the Graduate Methods Curriculum Committee (2014-2016)

Harvard

Member of the Political Methodology Search Committee (2006-2007, 2007-2008)

Member of the Methodology Preceptor Search Committee (2006-2007)

Member of the Graduate Policy Committee (2010-2011)

Member of the Formal Theory Search Committee (2012)
